**35/16 Public Forum**

**Cricket Ground** - The clerk referred to a complaint from a resident of Park Avenue relating to an incident when a cricket ball was hit into her garden. One option proposed by the cricket Club was to erect nets that could be lowered when there was no match. **It was agreed to conduct a survey of other residents to find out their views.** Councillor Hole offered to speak to the residents and report back.

**Removal of Bench** - There had also been a query raised by a resident about the removal of the bench outside the new development on Rowthorne Lane. **It was agreed that he be informed that the Council had given permission for the bench to be relocated.**

**Request for Bus Shelter** – A resident had asked the Council to consider erecting a new bus shelter for the bus stop opposite the Back Lane. This request was considered but because of information gained on the cost of moving utilities to put a ramp in the same area it was likely that the cost would be prohibitive.

**36/16 Minutes**

**Annual Meeting held on 27<sup>th</sup> April 2016**

**Parish Council Meeting held on 27<sup>th</sup> April 2016**
