Combined Authority for Derbyshire/Nottinghamshire – The leaders of the two Counties recently led a delegation to meet with the Minister responsible for the Government's devolution plans. The proposed development of a combined

Police Commissioner – The Police Commissioner for Derbyshire, Alan Charles, had published his report for 2014/15. Elections for the next Commissioner were planned for May 2016. As part of the plans for devolution of powers to local mayors there was a proposal that the elected mayors could take over the roles of Police Commissioner and Chief Fire Officer.

Ramp – In view of the increasing costs of installing the promised ramp from the bus stop, Councillor Moesby expressed his concerns about the value for money of the development which would only benefit a few people in the village. This view had been expressed by Councillors in the past. He proposed that the existing allocation be ring fenced for other priorities in the village. He promised to report back with firm proposals for consideration at a future meeting.

Clive Fleetwood reported that there were two faulty manhole covers located near 123 and 186 The Hill. Councillor Moesby agreed to report these for repair.

Bolsover District Council – Councillor Syrett had sent her apologies for her absence due to her current ill health.

John Jepson reported his concerns about the arrangements for payment of Council tax at the old Bolsover Council office. Tony Trafford agreed to raise these concerns with the District Council but informed him that a new contact centre was being planned in the building previously occupied by Natwest.

Leaking Roof – The clerk reported that there had been a leak from the roof into the gentlemen's toilets in the Village Hall. This was in addition to the hole in the roof of the storeroom.
